Track season is quickly approaching and it's time to prepare for the spring/summer session! In an effort to generate team chemistry, we are pleased to announce a partnership with the Kansas City Blue Devils.

As one of the premier track clubs in the city, they are able to offer highly qualified coaches and programs appropriately designed for different age levels.

Through our partnership, we have secured an incredible discount for Crossroads families (over 75% off!!).

#### **Kansas City Blue Devils Fees:**
